

## Toilet Aid Model, Frigg. Stainless Steel

The freestanding Toilet aid Frigg is made in Stainless steel (the Telescopic legs in aluminium), to get as long a durability as possible.

It is constructed as simple as possible to make it easy to clean.

It is height adjustable with a seat height from 45-66 cm. (The height is easy adjusted without tools by the help of 4 Clips)

It got a high quality/solid white seat for excellent comfort.

The seat can be taken off with one grip (without tools) for easy cleaning.

If you want to tilt the seat it can be done by positioning the legs higher at the back then at the front.

It can be delivered without or with a bucket/splashguard (please state which you want when ordering).
