

Shower Stool With Fixed Seat Height

A very robust and easy to clean shower stool, which thanks to the durable nylon coating offers outstanding durability.

The structure of the shower stool and the non slip rubber feet's make sure the shower stool stands very stable.

The shower stool is stackable and prepared for the mounting of a back rest (easily put on with the help of 4 screws). The back is made of the same strong materials.

The shower stool comes in 4 different standard sizes.

↓As acc. You can get a soft foam cushion.
It comes in two widths.
