PRESSURE-RELIEF SEAT XXL

FOR SHOWER-/COMMODE CHAIRS

CE

DESIGNED TO REDUCE PRESSURE/SHEAR

Pressure-relief seat XXL can treat and prevent pressure ulcers up to grade 3

HMN's Pressure-relief seat XXL is designed to reduce pressure/shear (displacement) and thereby preventing pressure ulcers. The seat can treat and prevent pressure ulcers up to grade 3.
The anatomical cutout on the seat surface, as well as the flexibility of the material ensures the user stability in the sitting position.

The Pressure-Relief seat only fits on chairs with a horseshoe seat.

The pressure-relief seat fits on bariatric chairs and can handle up to 250 kg. .

The seat is places on the top of the existing seat and can easily be removed.

PRESSURE-RELIEF SEAT XXL
